

INDEX TO VOLUME 25, 1971

- Abortion in neural tube defect fraternities, 220
 —, seasonal distribution of, 222
 ACHESON, R. M.: *see* KELSEY, J. L., etc., 177
 ADELSTEIN, A. M., HILL, G. B., and MAUNG, L.: Mortality from carcinoma of the uterus—an international cohort study, 186
 Adiposity, some mathematical properties of weight-for-height indices used as measures of, 42
 Africa, arterial blood pressures and hypertension in an urban population sample in, 26
 ALDERSON, M. R., and NAYAK, R.: A study of space-time clustering in Hodgkin's disease in the Manchester region, 168
 Anencephalus and water hardness in south-west Lancashire, 217
 —, comparison of variations in Belfast and four Scottish cities in the incidence of, 1956-66, 17
 Angina pectoris, comparison of teaching machine with an observer in detection of, 105
 Antepartum haemorrhage, and manifestations of cerebral dysfunction in infancy, 135
 Anthropometric study of women with cancer, 65
 Asthma deaths, geographical variations in the epidemic of, 34
 BEAZLEY, J. M., HURLEY, R., MIDDLEBROOK, C., and RUMPUS, M. F.: Rubella vaccination in the puerperium, 140
 Belfast, comparison of secular and seasonal variations in the incidence of anencephalus in, 17
 BENN, R. T.: Some mathematical properties of weight-for-height indices used as measures of adiposity, 42
 BENNETT, A. E.: *see* GARRAD, J., etc., 97
 Birth weight, factors influencing, 12
 BJELKE, E.: Variation in height and weight in the Norwegian population, 192
 Blood pressures, arterial, and hypertension in an urban African population sample, 26
 BRINKLEY, D., CARPENTER, R. G., and HAYBITTLE, J. L.: An anthropometric study of women with cancer, 65
 Cancer, an anthropometric study of women with, 65
 —, interaction of infectious disease with, 152
 Carcinoma of the uterus, mortality from, 186
 CARPENTER, R. G.: *see* BRINKLEY, D., etc., 65
 Case-control studies, attributable risk per cent in, 242
 Central nervous system, malformations of, in Glasgow, 210
 Cerebral dysfunction, manifestations in infancy, and their association with toxæmia and antepartum haemorrhage, 135
 Cerebrovascular disease, age and sex trends in, 84
 CHESTER, R.: Health and marriage breakdown—experience of a sample of divorced women, 231
 Chronic disease and disability, interview schedule for use in population surveys of, 97
 Cigarette smoking by hospital patients, 160
 COCHRANE, A. L., and MOORE, F.: Expected and observed values for the prescription of vitamin B₁₂ in England and Wales, 147
 COLE, P., and MACMAHON, B.: Attributable risk percent in case-control studies, 242
 COLLEY, J. R. T.: *see* RUIZ, L., etc., 165
 Community, and sport participation, 114
 Congenital defects, incidence of, in South Wales 1964-6, 59
 Contraceptives, oral, and peptic ulceration, 144
 Coronary heart disease, prediction of, from minor symptoms and electrocardiographic findings, 94
 'Cot death', epidemiology of, in Northern Ireland, 119
 CSIMA, A.: *see* HEWITT, D., etc., 174
 DEUTSCHER, S., ROBERTSON, W. B. C., and SMITH, A. P.: Age and sex trends in ischaemic heart disease, cerebrovascular disease, hypertension and diabetes, 84
 Diabetes, age and sex trends in, 84
 Diagnostic coding, comparison of, by manual and computerized methods, 225
 Divorced women, health of, 231
 DOLL, R.: *see* FRASER, P., etc., 34
 —: *see* GLOBER, G., etc., 144
 Edwards' criterion of seasonality, and a non-parametric alternative, 174
 Electrocardiographic findings, use of, for predicting coronary heart disease, 94
 ELWOOD, J. H., and MACKENZIE, G.: Comparisons of secular and seasonal variations in the incidence of anencephalus in Belfast and four Scottish cities 1956-66, 17
 Emergency admission, effects of methods of, on use of hospital beds, 1
 England, expected and observed values for the prescription of vitamin B₁₂ in, 147
 FAIRBAIRN, A. S.: *see* GLOBER, G., etc., 144
 FEDRICK, J., and WILSON, T. S.: Malformations of the central nervous system in Glasgow—an examination of the evidence for clustering in space and time, 210
 FIELDING, D. W., and SMITHELLS, R. W.: Anencephalus and water hardness in south-west Lancashire, 217
 FRASER, P., and DOLL, R.: Geographical variations in the epidemic of asthma deaths, 34
 FROGGATT, P., LYNAS, M. A., and MACKENZIE, G.: Epidemiology of sudden unexpected death in infants ('cot death') in Northern Ireland, 119
 GANDEVIA, B.: *see* HALL, G. J. L., etc., 109
 GARRAD, J., and BENNETT, A. E.: A validated interview schedule for use in population surveys of chronic disease and disability, 97
 GAY, T. J. A.: *see* JOHNS, M. W., etc., 236
 Glasgow, malformations of the central nervous system in, 210
 GLOBER, G., DOLL, R., FAIRBAIRN, A. S., and VESSEY, M. P.: Peptic ulceration and the use of oral contraceptives: a negative correlation attributable to the disease?, 144
 GOODYEAR, M. D. E.: *see* JOHNS, M. W., etc., 236
 HALL, G. J. L., and GANDEVIA, B.: Relationship of the loose cough sign to daily sputum volume, 109
 HAMILTON, P. J. S.: *see* RUIZ, L., etc., 165
 HANDYSIDE, A. J.: *see* MORRIS, D., etc., 1
 HAYBITTLE, J. L.: *see* BRINKLEY, D., etc., 65
 Head injuries, characteristics and mortality of patients with, 179
 Health and marriage breakdown, 231
 Height and weight, variation in, in Norwegian population, 192
 HEWITT, D., MILNER, J., CSIMA, A., and PAKULA, A.: On Edwards' criterion of seasonality and a non-parametric alternative, 174
 HILL, G. B.: *see* ADELSTEIN, A. M., etc., 186
 Hodgkin's disease, space-time clustering in, in Manchester region, 168
 Hospital beds, effects of methods of admitting emergencies on use of, 1
 — patients, cigarette smoking by, 160
 HOWELL, R. W.: A comparison of diagnostic coding by manual and computerized methods, 225
 HURLEY, R.: *see* BEAZLEY, J. M., etc., 140
 Hypertension, age and sex trends in, 84
 —, in an urban African population, and arterial blood pressures, 26

- Infectious disease, interaction of cancer with, 152
 International Classification of Diseases, revision of, 113
 Interview schedule, for use in population surveys of chronic disease and disability, 97
 Ischaemic heart disease, age and sex trends in, 84
- JANERICH, D. T.: *see* SELVIN, S., etc., 12
 JOHNS, M. W., GAY, T. J. A., GOODYEAR, M. D. E., and MASTERTON, J. P.: Sleep habits of healthy young adults—use of a sleep questionnaire, 236
- KAY, D. W. K.: *see* KERR, T. A., etc., 179
 KELSEY, J. L., and ACHESON, R. M.: Response to typed and mimeographed letters in a survey using postal questionnaires, 177
 KERR, T. A., KAY, D. W. K., and LASSMAN, L. P.: Characteristics of patients, type of accident, and mortality in a consecutive series of head injuries admitted to a neurosurgical unit, 179
 KHOSLA, T.: Indices of ventilatory measurements, 203
 —: The community and sport participation, 114
 KNEALE, G. W.: Excess sensitivity of pre-leukaemics to pneumonia: a model situation for studying the interaction of infectious disease with cancer, 152
- Lancashire, anencephalus and water hardness in, 216
 LASSMAN, L. P.: *see* KERR, T. A., etc., 179
 LOCKWOOD, E.: Accuracy of Scottish hospital morbidity data, 76
 Loose cough sign, in relation to daily sputum volume, 109
 LOWE, C. R.: *see* RICHARDS, I. D. G., etc., 59
 LYNAS, M. A.: *see* FROGGATT, P., etc., 119
- MCDONALD, A. D.: Abortion in neural defect fraternities, 220
 —: Seasonal distribution of abortions, 222
 MACKENZIE, G.: *see* ELWOOD, J. H., etc., 17
 —: *see* FROGGATT, P., etc., 119
 MACMAHON, B.: *see* COLE, P., etc., 242
 Manchester, space-time clustering in Hodgkin's disease in area of, 168
 Marriage breakdown, and health, 231
 MASTERTON, J. P.: *see* JOHNS, M. W., etc., 236
 MAULE, M. M.: *see* MILNE, J. S., etc., 37
 MAUNG, L.: *see* ADELSTEIN, A. M., etc., 186
 MIDDLEBROOK, C.: *see* BEAZLEY, J. M., etc., 140
 MILNE, J. S., MAULE, M. M., and WILLIAMSON, J.: Method of sampling in a study of older people with a comparison of respondents, 37
 —, and WILLIAMSON, J.: Comparison of teaching machine with an observer in detection of angina pectoris by questionnaire, 105
 MILNER, J.: *see* HEWITT, D., etc., 174
 MOORE, F.: *see* COCHRANE, A. L., etc., 147
 Morbidity data, accuracy of Scottish hospital, 76
 MORRIS, D. and HANDYSIDE, A. J.: Effects of methods of admitting emergencies on use of hospital beds, 1
 Mortality, from carcinoma of the uterus, 186
 —, in a consecutive series of head injuries admitted to a neurosurgical unit, 179
- NAYAK, R.: *see* ALDERSON, M. R., etc., 168
 Neural tube defect fraternities, abortion in, 220
 Neurosurgical unit, characteristics of patients, type of accident and mortality in a series of head injuries admitted to, 179
 Neuroticism, and smoking, 162
 Northern Ireland, epidemiology of sudden unexpected death in infants in, 119
 Norway, variation in height and weight of the population in, 192
- Older people, method of sampling in a study of, with a comparison of respondents and non-respondents, 37
 Oral contraceptives, and peptic ulceration, 144
 OSOTAYO JOHNSON, T.: Arterial blood pressures and hypertension in an urban population sample, 26
- PAKULA, A.: *see* HEWITT, D., etc., 174
 Patients, characteristics of, in a series of head injuries admitted to a neurosurgical unit, 179
 Peptic ulceration and the use of oral contraceptives, 144
 Pneumonia, excess sensitivity of pre-leukaemics to, 152
 Population surveys of chronic disease and disability, interview schedule for use in, 97
 Postal questionnaires, response to typed and mimeographed letters in a survey using, 177
 Pre-leukaemics, excess sensitivity to pneumonia of, 152
 Puerperium, rubella vaccination in the, 140
- RICHARDS, I. D. G., and LOWE, C. R.: Incidence of congenital defects in South Wales, 1964–6, 59
 ROBERTS, C. J.: Manifestations of cerebral dysfunction in infancy and their association with toxemia and antepartum haemorrhage: a cohort study, 135
 ROBERTSON, W. B. C.: *see* DEUTSCHER, S., etc., 84
 ROSE, G., and UDECHUKU, J. C.: Cigarette smoking by hospital patients, 160
 —: Predicting coronary heart disease from minor symptoms and electrocardiographic findings, 94
 Rubella vaccination in the puerperium, 140
 RUIZ, L., COLLEY, J. R. T., and HAMILTON, P. J. S.: Measurement of triceps skinfold thickness: an investigation of sources of variation, 165
 RUMPUS, M. F.: *see* BEAZLEY, J. M., etc., 140
- Sampling, method of, in a study of older people, 37
 Scotland, accuracy of hospital morbidity data in, 76
 —, comparisons of secular and seasonal variations in the incidence of anencephalus in four cities in, 17
 Seasonality, Edwards' criterion of, and a non-parametric alternative, 174
 SELVIN, S., and JANERICH, D. T.: Four factors influencing birth weight, 12
 Skinfold thickness, triceps, measurement of, 165
 Sleep habits of healthy young adults: use of questionnaire of, 236
 SMITH, A. P.: *see* DEUTSCHER, S., etc., 84
 SMITHELLS, R. W.: *see* FIELDING, D. W., etc., 217
 Smoking and neuroticism, 162
 —, *see also* Cigarette smoking
 Society for Social Medicine, XIV Annual Meeting, 51
 Space-time clustering, in Hodgkin's disease, in Manchester area, 168
 —, examination of the evidence for, in malformations of the CNS, 210
 Sport participation, and the community, 114
 Sputum volume, daily, relationship of loose cough sign to, 109
- Teaching machine, compared with an observer in detection of angina pectoris by questionnaire, 105
 Toxaemia, and manifestations of cerebral dysfunction in infancy, 135
- UDECHUKU, J. C.: *see* ROSE, G., etc., 160
- Ventilatory measurements, indices of, 203
 VESSEY, M. P.: *see* GLOBER, G., etc., 144
 Vitamin B₁₂, expected and observed values for the prescription of, in England and Wales, 147
- Wales, expected and observed values for the prescription of vitamin B₁₂ in, 147
 —, south, incidence of congenital defects in, 1964–6, 59
 Water hardness, relation of, to incidence of anencephalus, 217
 WATERS, W. E.: Smoking and neuroticism, 162
 Weight-for-height indices used as measures of adiposity, some mathematical properties of, 42
 WILLIAMSON, J.: *see* MILNE, J. S., etc., 37, 105
 WILSON, T. S.: *see* FEDRICK, J., etc., 210
 Women, divorced, health of, 231
 —, with cancer, an anthropometric study of, 65
