The *Journal of Epidemiology and Community Health* publishes original papers, leading articles, and reviews concerned with both the *study* of and the *improvement* of the health of communities worldwide. Emphasis will be given to health services research and development as a proper use of epidemiology, with the Journal contents in two main sections: (i) *analytical epidemiology* and (ii) the *evaluation* of health care, health services and other influences on the health of communities in Europe and worldwide. Letters related to articles in the Journal and to topics of general interest to health are welcome.

COMMUNICATIONS Instructions for authors are given at the back of the first issue of each year. Three copies should be submitted to the Editor, *Journal of Epidemiology and Community Health*, Department of Public Health and Epidemiology, Medical School, Manchester M13 9PT, United Kingdom (tel: 061-275 7111; fax: 061-275 7110).

PROOFS Contributors will receive one proof, and should read it carefully for printers' errors, and check the tables, figures, legends, and any numerical, mathematical, or other scientific expressions. Alterations to the original text should be kept to a minimum. Excessive alterations will be charged to the author.

REPRINTS Reprints are available on payment of the necessary costs if they are ordered when the proof is returned.

BOOK REVIEWS Books for review should be sent to the Editor.
