The Journal of Epidemiology and Community Health is a leading international journal devoted to the publication of original research and reviews covering applied, methodological and theoretical issues with emphasis on studies using multidisciplinary or integrative approaches. The journal aims to improve epidemiological knowledge and the health situation worldwide.

Guidelines for Authors and Reviewers
Full instructions are available online at http://jech.bmj.com/flora. Articles must be submitted electronically http://submit-jech.bmj.com. Authors retain copyright but are required to grant Journal of Epidemiology and Community Health an exclusive licence to publish (http://jech.bmj.com/flora/licence.dtl).
