#### Disclaimer: The Journal of Epidemiology

and Community Health is published by BMJ Publishing Group Ltd, a wholly owned subsidiary of the British Medical Association. The publisher grants editorial freedom to the Editor of Journal of Epidemiology and Community Health. The Journal of Epidemiology and Community Health follows guidelines on editorial independence produced by the World Association of Medical Editors and the code on good publication practice of the Committee on Publication Ethics.

The Journal of Epidemiology and Community Health is intended for medical professionals and is provided without warranty, express or implied. Statements in the journal are the responsibility of their authors and advertisers and not authors' institutions, the BMJ Publishing Group or the BMA unless otherwise specified or determined by law. Acceptance of advertising does not imply endorsement.

To the fullest extent permitted by law, the BMJ Publishing Group shall not be liable for any loss, injury or damage resulting from the use of the *Journal of Epidemiology and Community Health* or any information in it whether based on contract, tort, or otherwise. Readers are advised to verify any information they choose to rely on. The Journal of Epidemiology and Community Health is a leading international journal devoted to the publication of original research and reviews covering applied, methodological and theoretical issues with emphasis on studies using multidisciplinary or integrative approaches. The journal aims to improve epidemiological knowledge and the health situation worldwide
