Title	Authors	Published Year	Journal	Volume	Issue	Pages	Accession Number	DOI	Exclusion reason
From insecure to secure employment: Changes in work, health, health related behaviours, and sickness absence	Virtanen, M.; Kivimaki, M.; Elovainio, M.; Vahtera, J.; Ferrie, J. E.	2003	Occupational and Environmental Medicine	60	12	948-953	37494582		7) The study population is not working-age adults
Income volatility and psychological depression	Prause, J.; Dooley, D.; Huh, J.	2009	American Journal of Community Psychology	43		57-70	50385035		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Downsizing and alcohol use: A cross-lagged longitudinal examination of the spillover hypothesis	Sikora, Patricia; Moore, Sarah; Greenberg, Edward; Grunberg, Leon	2008	Work & Stress	22	1	51-68	2008-05265-004	10.1080/02678370801999651	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Changes in the labour market and health inequalities during the years of the recent economic downturn in Italy	Sarti, S.; Zella, S.	2016	Social Science Research	57		116-132	616730546		1) Duplicate
Association between change in employment status and new-onset depressive symptoms in South Korea - A gender analysis	Kim, S. S.; Subramanian, S. V.; Sorensen, G.; Perry, M. J.; Christiani, D. C.	2012	Scandinavian Journal of Work, Environment and Health	38	6	537-545	366002586		1) Duplicate
Precarious employment and new-onset severe depressive symptoms: a population-based prospective study in South Korea	Jang, S. Y.; Jang, S. I.; Bae, H. C.; Shin, J.; Park, E. C.	2015	Scandinavian Journal of Work, Environment & Health	41	4	329-337	609887707		1) Duplicate
Temporary employment and antidepressant medication: A register linkage study	Virtanen, M.; Kivimaki, M.; Ferrie, J. E.; Elovainio, M.; Honkonen, T.; Pentti, J.; Klaukka, T.; Vahtera, J.	2008	Journal of Psychiatric Research	42	3	221-229	350278617		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Gain of employment and depressive symptoms among previously unemployed workers: A longitudinal cohort study in South Korea	Kim, S. S.; Muntaner, C.; Kim, H.; Jeon, C. Y.; Perry, M. J.	2013	American Journal of Industrial Medicine	56	10	1245-1250	1369739796		1) Duplicate
Changes in employment conditions and mental health during the economic crisis in migrant workers in Spain	Robert Roca, G. R. R.; Ronda, P.; Martinez, M.; Felt, Garcia, B.	2013	Occupational and Environmental Medicine. Conference: 23rd Conference on Epidemiology in Occupational Health, EPICOH	70	SUPPL. 1		71745541		6) The study does not include one or more additional employment history grouping as a comparator
Precarious employment, financial stress and mental health	Ostergren, P. O.; Bodin, T.; Canivet, C.; Toivanen, S.	2016	Occupational and Environmental Medicine	73 (Supplement 1)		A109	612893081		11) Insufficient information published (e.g. conference abstract)

Perceived job insecurity and quality of life: Testing the effect of stress proliferation from work to family life	Fehrenbacher, Anne Elizabeth	2017		77			2016-53066-097		4) No health outcome reported
Perceived Job Insecurity and Health Over the Life Course	Glavin, Paul	2011	Conference Papers -- American Sociological Association				1406-1406 85658934		1) Duplicate
The psychosocial quality of work determines whether employment has benefits for mental health: Results from a longitudinal national household panel survey	Butterworth, P.; Leach, L. S.; Strazdins, L.; Olesen, S. C.; Rodgers, B.; Broom, D. H.	2011	Occupational and Environmental Medicine	68	11	806-812	51322408		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
[Health inequity among waged workers by employment status]	Bahk, J.; Han, Y. J.; Kim, S. S.	2007	Journal of Preventive Medicine & Public Health / Yebang Uihakhoe Chi	40	5	388-96	17917487		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
JOB MOBILITY AND THE SOCIAL INTEGRATION OF DISPLACED WORKERS	Aiken, Michael; Ferman, Louis A.	1966	Social Problems	14	1	48-56	60576424; 67C3532		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Working without commitments: the health effects of precarious employment	Lewchuk, Wayne; Wolff, Alice De; Clarke, Marlea	2011				335-viii, 335	868766256; 4198118		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Ausgebrannt und unzufrieden? Wie change-charakteristika und veränderungsspezifische Arbeitsplatzunsicherheit mit emotionaler erschöpfung, arbeitszufriedenheit und kündigungsabsicht zusammenhängen = Burn out and unsatisfied? How change characteristics and change-specific job insecurity are related to emotional exhaustion, job satisfaction, and turnover intentions	Michel, Alexandra; Stegmaier, Ralf; Meiser, Daniela; Sonntag, Karlheinz	2009	Zeitschrift für Arbeits- und Organisationspsychologie	53	1	Nov-21	2009-19885-002	10.1026/0932-4089.53.1.11	8) Non-English language
[Effects of atypical employment on difficulties in falling asleep and maintaining sleep - gender differences in the lidA study]	Kretschmer, V.; Riedel, N.	2015	Gesundheitswesen	77	4	e77-84	25806502		8) Non-English language
The new economy, stress, and health: An examination of underemployment trajectories over the adult life course	Cross, Jennifer Moren; George, Linda K.; Land, Kenneth C.			AAI3324096		2897	61781112; 200932299		1) Duplicate

Labor markets and help-seeking: a test of the employment security hypothesis	Catalano, R.; Rook, K.; Dooley, D.	1986	Journal of health and social behavior	27	3	277-287	16780991		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
[Public health monitoring report (8). Health effects of the temporary employment status]	Anonymous,	2011	Nippon Koshu Eisei Zasshi - Japanese Journal of Public Health	58	10	913-8	22454991		8) Non-English language
Causes and Economic Effects of Health Problems in AFDC Women	Roe, Daphne A.	1977					61724317; 77S07056		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
The association between job insecurity and coronary heart disease in a Chinese population	Xu, W.; Zhao, Y.; Guo, L.; Gao, W.	2010	Circulation	122 (2)			e185	70232375	11) Insufficient information published (e.g. conference abstract)
The Effects of Unemployment and Insecure Jobs on Well-Being and Health: The Moderating Role of Labor Market Policies	VoÅyemer, Jonas; Gebel, Michael; Kadri, TÃxht; Unt, Marge; HÃ¶lberg, BjÃ¶rn; Strandh, Mattias	2018	Social Indicators Research	138	3	1229-1257	2068765618	http://dx. doi.org/10 .1007/s11 205-017- 1697-y	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Transfer of Cultural Capital: A Comparative Analysis of the Interconnection of Well-Being, Precariousness, and Insecurity	Samuel, Robin; Hupka-Brunner, Sandra; Bergman, Manfred Max	2010					743069135; 2010S02299		11) Insufficient information published (e.g. conference abstract)
Contingent work and occupational safety	Quinlan, Michael; Bohle, Philip; Barling, Julian; Frone, Michael R.	2004				81-105	2003-88217- 005	10.1037/1 0662-005	3) Commentary/editorial
Populations at special health risk: Workers	Muntaner, C.; Kim, I.; Chung, H.; Benach, J.	2008				285-301		10.1016/B 978- 01237396 0-5.00091- 5	3) Commentary/editorial
Changes and health in the contingent and regular jobs	Moilanen, L.	2004	Psychology and Health	19	SUPPL. 1	117		10.1080/0 88704403 10001613 482	11) Insufficient information published (e.g. conference abstract)
Economic recession and incidence of sickness absence in Catalonia, Spain	Zaballa, E.; Duran, X.; Lopez, M. A.; Sanchez-Niubo, A.; Gimeno, D.; Benavides, F. G.	2015	European Journal of Epidemiology	30 (8)		958	72274918		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
La sante au travail des femmes occupant des emplois atypiques /Occupational health of women in non-standard employment	Zeytinoglu, Isik U.; Moruz, Josefina; Seaton, Bianca M.; Lillevik, Waheeda; Messing, Karen	2003	Relations Industrielles	58	3	558-560	224286108		8) Non-English language

Mental health risks among managers: A review	Zimber, A.; Hentrich, S.; Bockhoff, K.; Wissing, C.; Petermann, F.	2015	Zeitschrift für Gesundheitspsychologie	23	3	123-140	10.1026/0943-8149/a000143	8) Non-English language
The effect of job loss on depressive symptoms: The results from the Korean Welfare Panel Study (2007-2013)	Yoon, Hyo Jung; Choi, Jae Woo; Jang, Suk-Young; Lee, Sang Ah; Park, Eun-Cheol	2017	The International journal of social psychiatry	63	1	57-62	1864983501 http://dx.doi.org/10.1177/0020764016681590	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Precarious Employment and Health-Related Outcomes in the European Union	Yeandle, Sue; Yeandle, Sue	2001	Work, Employment and Society	15	2	411-414	60405940; 2001a02800	3) Commentary/editorial
The limits of wellbeing	Wyn, Johanna; Cuervo, Hernan; Landstedt, Evelina; Wright, Katie; McLeod, Julie	2015				55-70	2014-50139-004 10.1007/978-981-287-188-6_4	3) Commentary/editorial
Women's Employment Transitions and Changes in Psychological Distress	Wilk, Piotr	2001	Canadian Studies in Population	28	2	513-533	60431701; 200208460	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Life transitions, role histories, and mental health	Wheaton, B.	1990	American Sociological Review	55		209-223	57865172; 9050843	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Effects of Lifetime Unemployment Experience and Job Insecurity on Two-Year Risk of Physician-Diagnosed Incident Depression in the German Working Population	Wege, N.; Angerer, P.; Li, J.	2017	International Journal of Environmental Research & Public Health [Electronic Resource]	14	8	11	28800069	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Job Insecurity and Mental Health in Canada	Watson, Barry; Osberg, Lars	2018	Applied Economics	50	38	4137-4152	1718054 http://www.tandfonline.com/doi/raec20	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Perceived Work Stress and Major Depressive Episodes in a Population of Employed Canadians Over 18 Years Old	Wang, JianLi	2004	Journal of Nervous and Mental Disease	192	2	160-163	2004-11326-010 10.1097/01.nmd.0000110242.97744.bc	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
A population-based longitudinal study on work environmental factors and the risk of major depressive disorder	Wang, J.; Patten, S. B.; Currie, S.; Sareen, J.; Schmitz, N.	2012	American Journal of Epidemiology	176	1	52-59	365149480	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment

Temporary employment, quality of working life and well-being	Wagenaar, Alfred F.; Kompier, Michiel A. J.; Taris, Toon W.; Houtman, Irene L. D.; Antoniou, Alexander-Stamatios G.; Cooper, Cary L.	2013				117-139	2013-18153-007	10.4337/93843.00016	3) Commentary/editorial
Is temporary employment related to health status? Analysis of the Northern Swedish Cohort	Waenerlund, Anna-Karin; Virtanen, Pekka; Hammarstrom, Anne	2011	Scandinavian Journal of Public Health	39	5	533-539	927830601; 201120994	http://dx.doi.org/10.1177/1403494810395821	5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Association between the perception of adverse working conditions and depressive symptomatology: A systematic review	Talavera-Velasco, B.; Luceño-Moreno, L.; Martín-García, J.; Díaz-Ramiro, E. M.	2017	Ansiedad y Estrés	23	1	45-51		10.1016/j.anyes.2017.05.002	2) Review
Health associates of different employment arrangements: A typological approach to employment security	Van Aerden, K.; Puig-Barrachina, V.; Vanroelen, C.	2012	European Journal of Epidemiology	1)		S36	71302881		11) Insufficient information published (e.g. conference abstract)
Contingent employment, health and sickness absence	Virtanen, M.; Kivimaki, M.; Elovainio, M.; Vahtera, J.; Cooper, C. L.	2001	Scandinavian Journal of Work, Environment and Health	27	6	365-372	34048585		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
How unemployment and precarious employment affect the health of young people: A scoping study on social determinants	Vancea, M.; Utzet, M.	2017	Scandinavian Journal of Public Health	45	1	73-84	614773566		2) Review
Effect of organisational downsizing on health of employees	Vahtera, Jussi; Kivimaki, Mika			350		1124			5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
The health consequences of precarious employment experiences	Scott-Marshall, H.; Tompa, E.	2011	Work (Reading, Mass.)	38	4	369-382	362682424		1) Duplicate
Job displacement and mortality: an analysis using administrative data	Sullivan, Daniel; Wachter, Till von	2009	Quarterly journal of economics	CXXIV	3	1265-1306	37201012; 3897070		5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
Too Stressed to Work: The Effects of Job Stressors on Health and Employment Outcomes	Tran, Tan Minh	2017		Ph.D.					5) Exposure not measured by detailed employment history or 3 or more measures of precarious employment
