Whitehall II phase 5 questions on income and wealth that are relevant for the purposes of this study.

Income

As you know the Civil Service is going through major changes. Also many of you are approaching retirement age, or have retired. Previously we relied on your Civil Service grade to indicate your income. However, Civil Service grade is not as clear an indicator of income as before and there are many of you to whom it no longer applies. We would therefore very much appreciate your help in completing the following questions.

As with all other questions, the information you provide will be kept strictly confidential and used for study purposes only.
